Dear Ms. Kappenberg:

As the 2016 legislative session comes to a close, I am pleased to advise you that I was able to secure an additional \$20,000 in funding for your library. This funding, commonly referred to a "bullet aid," is in addition to the library aid amounts approved as part of this year's budget. It is intended to provide assistance to help your library deal with unanticipated expenses, but its use is unrestricted.

Should you have any questions, please don't hesitate to call my office.

Sincerely,

A handwritten signature in black ink that reads "Kemp Hannon". The signature is written in a cursive style with a large, prominent "K" and "H".
