Dear Ms. Kappenberg:

On behalf of County Executive Edward Mangano, I want to take this opportunity to thank you for allowing the Department of Assessment to hold its annual Property Tax Exemptions Workshop at the Plainedge Public Library over the summer.

The workshop was a tremendous success thanks in part to everyone – from the custodial staff to the front desk – who helped us along the way.

I look forward to working with you and your staff again next year so that we can continue to bring this worthwhile County outreach program to your community.

Cordially,

JAMES E. DAVIS
Acting County Assessor
