

NASSAU LIBRARY SYSTEM
Strengthening Nassau's Public Libraries

**NLS Strategic Planning Process
Opportunity for Trustee Input**

The Nassau Library System is in the middle of a strategic planning process that will help us map our course for the next few years. We'll soon be wrapping up the information gathering stage of the process and want to give member library trustees the opportunity to share their perceptions of NLS and our services. We hope you will consider joining us at a Roundtable Discussion or offering your input via online survey.

Two Trustee Roundtable Discussions will be held in January:

Friday, January 20, 2017 at 10 a.m.

Tuesday, January 24, 2017 at 7 p.m.

The same topics will be discussed at both meetings. Each discussion can accommodate up to 12 participants and will last about 90 minutes. In order to encourage participation from as many libraries possible we may ask multiple trustees from the same library who register for the sessions to select one trustee to represent them.
