Dear Library Director,

We are about to embark upon our first backpack and supply drive in conjunction with the United Way, New York Nets, Senator Elaine Phillips and would like to include your library as part of this exciting adventure.

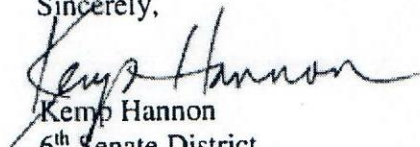

We will obtain the drop off boxes and deliver one to each participating library and make periodic pick-ups of any donations. During the month of August there will be a one day stuffing event for anything collected up to that point and then for the remaining two weeks, we will continue to push on and collect whatever else possible for more local distribution.

All we are asking is if you would kindly allow us to place a box in your vestibule or lobby. The sign advertising the collection will be on the box so there is no need for extra space. We will be happy to make pick ups any time the box gets full.

To confirm your participation, please call my Community Office (516) 739-1700 and indicate that you are willing to take a box from Senator Hannon for display.

Attached is a sample press release and hope that you can join us in this opportunity to help our children feel they are prepared to meet the challenges of the new school year.

Sincerely,

Kemp Hannon
